

## Teleconsult successfully delivered an OH&S Program for Ooredoo Myanmar.

Teleconsult has successfully completed the first phase and a substantial part of a comprehensive OH&S program to Myanmar Nationals, rolling out a national network for Ooredoo Myanmar.

To date the following number of trainees have attended the LDC :

- Introduction to Occupational Health and Safety (OH&S) - 106
- Working at Heights Certification - 212
- Rigging and Rigging Safety - 417
- First Aid - 25

A program of Rooftop rigging courses is scheduled to commence shortly, when a further 300 + Trainees, will attend for training.

The trainees are awarded an internationally recognized certificate, Logbook and ID card after the successful completion of the course.
